

# Braille and Talking Book Library (BTBL)

# Basic Overview of BTBL Service:

► We provide audio or braille books to people who are unable to use standard print materials due to a visual, physical, or reading disability.

► **This service is completely FREE!**

Including a talking book player (pictured right).

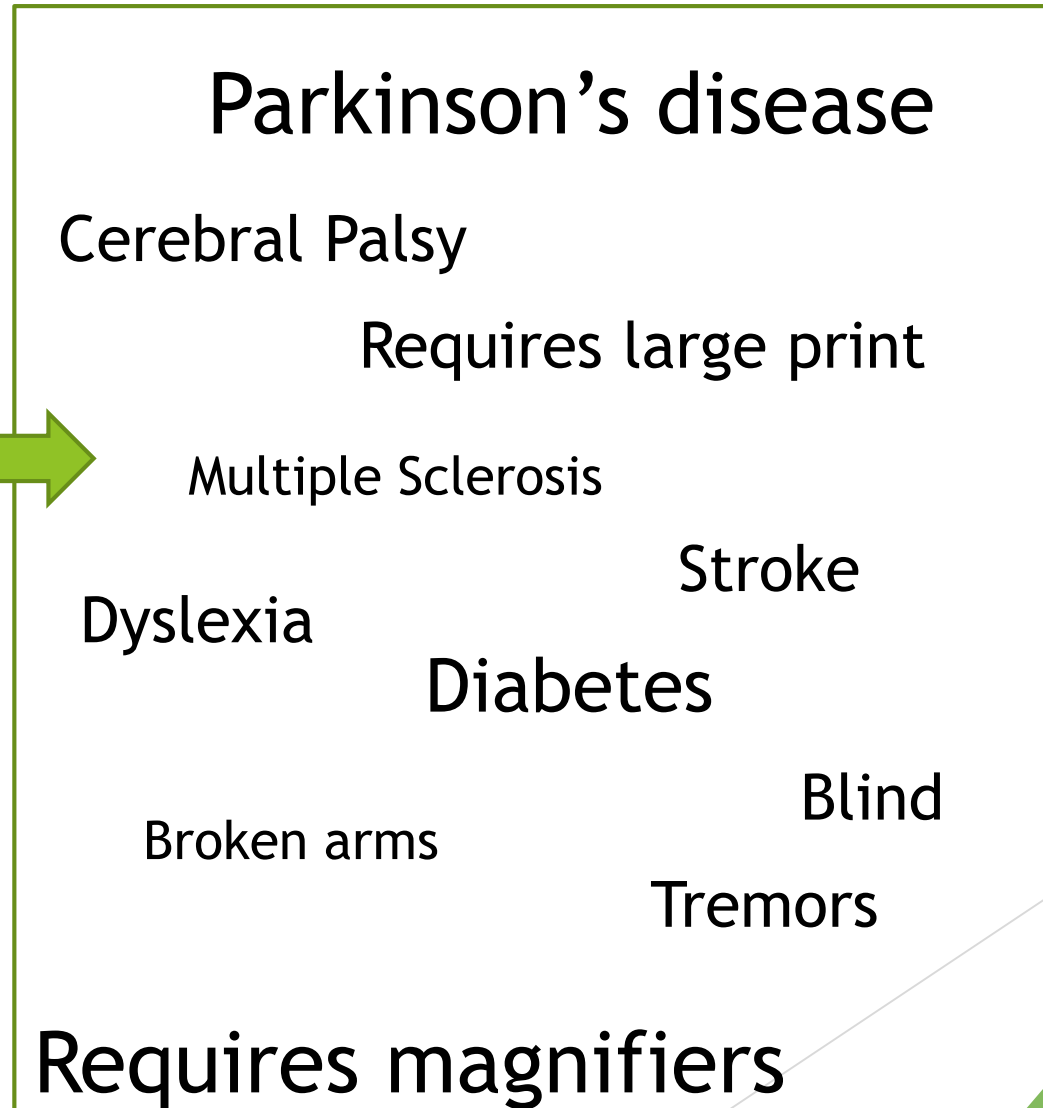

# Services Offered

- ▶ Books and Magazines
  - ▶ Through the mail
  - ▶ Via download
- ▶ Over 100,000 books and growing!

# Eligibility

More people  
qualify than you  
may think...

# How to sign up for BTBL service:

▶ Fill out and return the application

▶ Ensure a certifying authority has signed the application.

Losing the ability to read standard print doesn't have to mean losing the joy of reading—our motto is **“That All May Read.”**
