### Availability & Interest

We could use volunteer help during some of our fall youth programs. Please check the programs you are interested in helping with and **circle the dates you are available (or you may note dates you can or cannot work in the margins)**. This does not mean you will be scheduled for all of these programs, it just lets us know your availability/interest. Programs take place in all 19 of our branches and virtually over Zoom – the location is noted next to the program name. Notice where the program is located before noting your interest.
