Introduction

The Genesee District Library (GDL) is a public library serving the citizens of Genesee County, Michigan and where applicable citizens covered under a service agreement established between the Genesee District Library Board and other municipality and/or those individuals who qualify for service through a reciprocal borrowing agreement.

The GDL was established on August 7, 1979 pursuant to ACT 164 of the Public Acts of 1955, as amended (MCLA 397.271 et seq.) through the cooperative efforts of the Genesee County Board of Trustees and the Grand Blanc Township Board of Trustees. In 1997, the District Library Agreement (DLA) was restated and amended.

Today the GDL Board consists of eight members from the community. Four are appointed by the Genesee County Board of Trustees and four are appointed by the Grand Blanc Township Board of Trustees.

GDL partners with municipalities located within its service area. The partner municipalities (through formal lease agreements) provide for the majority of the buildings and their upkeep.

GDL Policy 1.1

Collection Development

Policy Statement

This policy establishes the principles, in accordance with the library's mission, that guide collection development and establish the criteria for the selection of library materials.

Principles

1. The goal of selection is to provide collections that meet the informational, educational and recreational needs of the patrons in the library's service area.
2. The library upholds the following principles of service:
 - A. Provide open, free, non-judgmental access to collections and services.
 - B. Support intellectual freedom and promote the dissemination of a wide range of ideas and information.
 - C. Create an inviting environment with a broad selection of timely materials that encourages patrons to encounter the rich diversity of ideas.
3. The scope of the collections includes material with popular, contemporary appeal as well as those with permanent, historical value in a variety of formats. The collections support a wide audience including the needs of specific populations such as children, young adults, adults and seniors.
4. Selection of all material shall be the responsibility of the library director who operates within the framework of policies approved by the Genesee District Library Board of Trustees. Under the director's guidance, a staff of librarians with professional education and training select material in accordance with state law and the principles and practices of collection development.
5. There are general criteria of quality of content and sustainability of format taken into consideration for all selections. Each item within the collection is given individual consideration for selection in terms of its own merit.
6. The library monitors advances in print and electronic publishing, as well as future trends and the emergence of new formats, and adjusts the emphasis within collections to reflect contemporary practices.
7. The library identifies and acquires material in several ways:
 - A. Librarians identify material for potential purchase through a variety of print and electronic resources including, but not limited to, reviewed titles in professional journals.

Collection Development (continued)

- B. Librarians elect to automatically purchase periodic new editions of specific titles and thenewly published titles from authors with perennial appeal.
 - C. The library occasionally accepts gift donations of materials that meet the same criteriaas purchased material. See Gifts and Donations policy.
 - D. The library accepts commemorative requests that meet the same criteria of purchased material and are identified with a commemorative bookplate, and integrated into the appropriate collection. See Gifts and Donations policy.
 - E. The library accepts recommendations for purchase from patrons within the library's legal service area. No guarantee is made that any one specific item will be purchased.
8. The library attempts to collect material on a wide range of subjects but is unable to meet everyneed with on-site material.
- A. Duplication of titles is essential in meeting the public demand for best-sellers and other heavily used material. The library does not duplicate every title, nor can it duplicate specific popular titles in sufficient quantities to fill every request immediately.
 - B. The library participates in consortia and networks to obtain access to information sources and services it cannot provide on its own. As part of these services, patrons can borrow material from other libraries to fulfill their information needs. See Interlibrary Loanpolicy.
9. The library does not purchase academic textbooks.
10. The library keeps its collections vital and useful by retaining and replacing essential material, and by removing on a systematic and continuous basis those works that are worn, outdated, of little historical significance or no longer in demand.
11. A patron's choice of library materials for personal use is an individual matter. Responsibility for the use of materials by children and adolescents rests with their parents or legal guardians. While a person may reject materials for himself or herself and for his or her children, he/she cannot exercise censorship to restrict access to the materials by others.

The library selects material and organizes its collections to facilitate patrons in making choices about the materials that are suitable for their needs and interests.

Collection Development (continued)

- A. The library purchases a broad range of materials, in many formats, to appeal to the needs and interests of a broad segment of the population of the library's service area. Not all materials will appeal to all users.
 - B. The library purchases both rated and unrated feature films and series. It is the responsibility of each patron to determine the suitability of each work for his/her self and for his/her children.
 - C. The library may organize its youth collections by age levels as a directional aid or to facilitate access to materials. Such organization is not intended to restrict or imply limits on who may or may not read the materials.
12. Any resident who objects to the presence or absence of a work may complete the "Request for Reconsideration of Library Resources" form available at the adult reference desk. See "Reconsideration of Library Materials" policy. (See section 1.3)

Gifts

The Genesee District Library may legally receive gifts as authorized by the Public Library Gifts and Donations Act 1921 PA 136 (MCL 397.381 et seq.).

1. Gifts must be unconditional, non-returnable, and to be used for the good of the Library System as a whole and housed in the most appropriate location as determined by Genesee District Library Director.
2. Gift materials to be added to the Genesee District Library collection must meet the Library's needs and the general standards of selection, and be based on the Genesee District Library Collection Development Policy. Any large donations of materials that would comprise a unique or coherent collection would be subject to restrictions as determined by the Genesee District Library Director.
3. Gift materials not accepted into the Library collection may be disposed of at the staff's discretion. Gift materials accepted into the collection may be disposed of without notification to the donor. No monetary appraisal is made of materials donated to the collection. The quantity of gift materials may be acknowledged for tax purposes at the request of the donor.
4. Genesee District Library does not accept replacement copies in exchange for lost or damaged materials.
5. Donated items are rarely added to the collection due to the labor and processing costs involved. The decision to add a donated book to the collection will be based on the same selection criteria as purchased materials.
6. The library retains unconditional ownership of all donations and makes the final decision on acceptance, use, or disposition of donated material. No conditions may be imposed on any donated item accepted by the library.
7. The appraisal of a gift or donation for tax purposes is the responsibility of the donor and cannot be provided by the library.
8. When the library accepts a cash gift for the purchase of materials, whether as a memorial or for any other purpose, the general nature or subject area of the materials to be purchased will be based upon the wishes of the donor. The library staff, in accordance with the needs and selection policies of the library, will make the actual selection of specific titles.
9. Special collections and memorial collections may be shelved as separate collections or integrated into the general collection at the discretion of the professional library staff. The form of memorial or gift identification will be a gift plate.

Reconsideration of Library Materials

A patron's choice of library materials for personal use is an individual matter. Responsibility for the use of materials by children and adolescents rests with their parents or legal guardians. While a person may reject materials for himself or herself and for his or her children, he/she cannot exercise censorship to restrict access to the materials by others.

Any adult patron in the library's service area who objects to the presence of a work may present that objection by completing a "Request for Reconsideration of Library Resources" form. The library will not consider the request if the reconsideration form has not been completed fully, and if the item in question has not been completely read, listened to, or viewed. The patron will receive a notice of receipt of their reconsideration form. The library director and selected professional staff will review the request, and the resulting written decision will be forwarded to the concerned party.

If the patron is not satisfied with the response, they may request that a review committee be convened to review the matter. If so requested, the committee will consist of one member of the library Board of Trustees, the librarian who selected the material in question, a person or persons from the community (selected by the Board from a list of volunteers), and the library director or his/her designee. The review committee will report to the Board of Trustees its finding on whether the material in question was properly selected and ought to be retained under this policy. The Board of Trustees will vote to accept or reject the committee's recommendation on the disposition of the item in question. The originator of the request for reconsideration will be given the opportunity to speak to the issue prior to the Board's vote. No item under reconsideration by this committee will be removed without a formal directive from the Board of Trustees. The decision by the Board of Trustees is final.

Once an item has been reconsidered and either retained or removed, it may not be reconsidered again for the next five years. A permanent file will be kept of all records pertaining to any challenged item.

Section 2: Circulation

- 2.1 Card Registration
- 2.2 Cooperative Card (Coop Card)
- 2.3 Non-Resident Card
- 2.4 Lost or Stolen Cards
- 2.5 User Records
- 2.6 Overdue, Lost, and/or Damaged Materials
- 2.7 Fines and Fees

GDL Policy 2.1

Card Registration

All residents within the Genesee District Library service area are eligible for a library card. Persons living outside the Genesee District Library service area who pay property taxes to a governmental unit within the District are also eligible for a Genesee District Library card.

Library cards are non-transferable. All items borrowed are the responsibility of the individual to whom the card is issued.

Juvenile (under age 18) registrations must be signed by a parent or guardian. Signatures indicate an acceptance of responsibility for:

- the juvenile's use of all library resources including access to the Internet;
- supervision of the juvenile's choice of materials;
- return of all materials when due;
- overdue fines when materials are returned late; and
- all losses and damages to materials and equipment borrowed.

When a juvenile patron turns 18 years of age, he/she assumes responsibility for the library account bearing his/her name including all borrowed items on that account and all fines and fees associated with that account from that point forward.

Library cards will have an expiration date and require periodic renewals.

GDL Policy 2.2

Cooperative Card (Coop Card)

Residents outside the geographical area of the Genesee District Library's service area boundaries who do not qualify for a library card at the Genesee District library may qualify for a Coop Card. A Coop Card entitles the holder to basic library services.

Coop Card holders are not eligible for GDL's premium content and services.

GDL Policy 2.3

Non-Resident Card

Residents outside the geographical area of the The Library Network & Mideastern Michigan Library Cooperative's boundaries who do not qualify for a library card at any TLN or MMLC Library Cooperative member library may purchase a non-resident library card for a fee. The fee covers all family members in one household.

Non-Resident Card holders are not eligible for interlibrary loan services outside of GDL's system (MelCat).

GDL Policy 2.4

Lost or Stolen Cards

It is the patron's responsibility to notify Genesee District Library promptly of a lost or stolen library card. If the loss or theft is not reported, the patron is responsible for all materials charged to the library card.

Patrons will be held responsible for fines levied prior to the date the loss or theft of the library card is reported, as well as the value of any materials borrowed. Patrons will not be held responsible for fines after the date on which the loss or theft is reported.

GDL Policy 2.5

User Records

Genesee District Library is bound by the **Michigan Library Privacy Act** (PA 455 of 1982) in which a “library record” is defined as a document, record, or other method of storing information retained by the library that personally identifies a library patron including the patron’s name, address, email address, or telephone number, or that identifies a person as having requested or obtained specific materials from a library. The Library Privacy Act provides that a “library record” is not subject to disclosure under the Freedom of Information Act and may not be released or disclosed to any person without the written consent of the person identified in the record unless ordered by a court. Accordingly, Genesee District Library will not release nor disclose a “library record” except as provided by the Library Privacy Act or as otherwise required by state or federal law. The Library, however, may use the “library record” for the purpose of retrieving overdue materials, collecting fines, and other library business permitted by law.

Overdue, Lost, and/or Damaged Materials

Genesee District Library may charge a fine for overdue materials. Genesee District Library is not required to send notices for overdue or lost materials, and failure to receive a notice does not relieve the borrower of responsibility to return materials when due. Genesee District Library will suspend a patron's borrowing privileges and deny access to patron PCs and the Internet when the fines and/or fees on a patron's account reach \$4.00.

When the combined value of an overdue item(s) and the fine owed on the item(s) reaches \$25.00 and the item(s) is more than sixty (60) days past due, the Library will refer the unresolved charges to a collection agency and will assess the patron a recovery fee. The Library may suspend the borrowing privileges of a patron referred to a collection agency until the charges are resolved. A payment plan may be established for a patron whose account was turned over to a collection agency by Genesee District Library. The payment plan is a contract whereby the patron agrees to pay what is owed on the account within a specified time.

Genesee District Library may charge for replacement of materials missing, lost, or damaged. Reimbursement is required to repair or replace damaged or lost materials and may include other administrative or processing fines or fees. No replacement items will be accepted for lost or damaged items.

GDL Policy 2.7

Fines and Fees

Cardholders are subject to fines and fees for specific services and associated with library card use including but not limited to inter-library loan, faxing, printing photocopying, and monetary fines and fees associated with overdue, lost, damaged items.

Section 3: Services

- 3.1 Reference and Research
- 3.2 Intra-Library Loan
- 3.3 Inter-Library Loan
- 3.4 Computer Use
- 3.5 Internet Use
- 3.6 Programs
 - 3.6.1 Contest Participation
- 3.7 Literature Display and Distribution

GDL Policy 3.1

Reference and Research

Patrons' questions will receive courteous, prompt, and high quality service responses with complete confidentiality.

In the instance of legal, medical, investment, or tax reference questions, the staff may only guide the patron to the material available on the topic of interest. The staff may not evaluate or interpret the information provided nor may the staff define the meaning of terms, offer investment advice, select income tax forms, or serve as a surrogate for a professional expert in any of the fields listed above. Patrons will be advised to consult with a professional expert from the above listed fields for additional information or advice as needed.

GDL Policy 3.2

Intra-Library Loan

Intra-library loan transactions between Genesee District Library branches are necessary for efficient use of system-wide resources and the provision of library service to patrons. GDL patrons may request select items to be transferred from one location to another for their use. This includes a provision for copies as a substitute for original materials where such copies do not violate US copyright law. A fee may be charged for copies.

GDL Policy 3.3

Inter-Library Loan

Because the library cannot own everything that is published, it will rely on interlibrary loan services such as MeLCat as a means to obtain items not owned by the library.

Patron borrowing will be in accordance with, and limited to, the rules of the interlibrary loan service and Genesee District Library.

Only residents of the GDL legal service area will be eligible to participate in interlibrary loan services through the GDL.

Non-resident patrons who obtain or upgrade their GDL card through a purchase arrangement with the library are not eligible to use an interlibrary loan service through the GDL.

Computer Use

This Computer Use Policy is designed to provide all members of the public with fair, equitable access to computer services at all locations.

1. Library Cards
 - a. Genesee District Library patrons must use their own library card. Only current (unexpired) library cards in good standing (outstanding fees under \$4.00) may be used. Library cards are used to track an individual's daily computer time.
 - b. Patrons using another person's library card (with or without permission) will be suspended. In order to protect the owner's rights, cards that are used by persons other than the owner will be invalidated until the owner is able to show identification.
 - c. Guest cards are provided only to people who are not residents of the Genesee District Library service area who want Internet access in the library. A guest card is not to be used as a substitution for a lost or forgotten card or by a patron who is not in goodstanding.
2. Time Limits

Initial time limits will be determined by GDL Administrative staff. If no one is waiting, computer time may be extended. The Genesee District Library does not guarantee a specific amount of time for computer use.
3. Specific Use Computers

Some Genesee District Library branches have computers that are designated as children's Early Literacy Stations and Online Public Access Catalogs. Use of these computers for any other function is prohibited.
4. Filtering

The Genesee District Library network is filtered as described in the Internet Access Policy. Parents or legal guardians need to be actively interested in and are responsible for supervision of their children's online use of the Internet and other electronic sources. Parents or legal guardians are encouraged to discuss the use of the Internet in relation to family values and boundaries with their children and to monitor their children's use of the Internet.
5. Library Use

Genesee District Library staff may reserve computers for classes.
6. Closing

Computers and printers are unavailable 15 minutes before the library closes.

Computer Use (continued)

7. Audio

Library computers do not have speakers. Audio content can be accessed by connecting headphones to the audio jacks located on the library computers.

8. Printing

The library provides up to 5 free prints per day. Patrons may not use their own paper in library printers.

9. Saving Files and Documents

Patrons who wish a permanent record of their work need to save files and documents on their own USB drive or cloud storage. Genesee District Library computers do not allow users to save documents or personal files to the hard drive.

10. Disclaimer

Patrons use library computer hardware and software at their own risk.

- a. The Genesee District Library is not responsible for equipment malfunction, loss of data, any damages to the user's disks, data, or electronic transactions of any type.
- b. The Genesee District Library is not responsible for the loss of any floppy disk, cd, or USB drive.
- c. The Genesee District Library computers are filtered using the best available technology. However, users are cautioned that ideas, points of view, and images can be found on the Internet that are controversial, divergent, and/or inflammatory.
- d. The provision of access does not mean or imply that the Genesee District Library endorses or sanctions the content or point of view of any of the information or commentary which may be found on the Internet.

11. Staff Assistance

Computing resources are self-serve. While staff members are available to assist users with the equipment, staff members do not provide training in the use of software. Users who need training should attend the Genesee District Library's free computer classes.

12. Illegal and Unacceptable Uses

Patrons may use library computers or the wireless access only for legal uses. Examples of unacceptable uses include but are not limited to the following:

- a. Attempting to crash, degrade performance, or gain unauthorized access to computer systems and networks
- b. Damaging equipment, software, or data belonging to the Genesee District Library or other users
- c. Using the Internet for malicious purposes such as intentionally propagating a virus

Any person denied access to the Library or its services may appeal the denial to the Director. If the appeal is not resolved by the Director, it may be submitted in writing to the Library Board of Trustees. The Library Board of Trustees will provide the person with an opportunity to be heard before deciding the appeal.

Internet Access

The Library's Internet Access Policy is in compliance with federal and state laws.

1. Philosophy

The Genesee District Library ("GDL") provides the Internet to the public as an informational, educational, and recreational resource.

2. Internet Content

The Internet, as an information resource, enables libraries to provide information beyond the confines of their own collections. It allows access to ideas, information, and commentary.

- a. The Internet is an unregulated medium. As such, while it offers access to a wealth of material that is personally, professionally and culturally enriching to individuals of all ages, it also enables access to some material that may be out of date, inaccurate and offensive.
- b. GDL is not responsible for the content of information accessed or selected.
- c. GDL strives to maintain a computing environment that promotes access to a wide variety of electronic information in an array of formats; however, GDL makes no guarantee that all Internet content and services will function on its equipment.

3. Relevant Statutes

The following state and federal statutes are relevant to the obligations of GDL in providing Internet access to its patrons:

- a. Michigan Library Privacy Act, MCL 397.601 et seq (the "MLPA").
- b. Children's Internet Protection Act, 47 USC § 254 and 20 USC § 9134 (the "CIPA").
- c. USA Patriot Act, as reauthorized in part in June of 2015.

4. Privacy

It is the policy of the Genesee District Library to preserve the confidentiality of library usage records of its patrons to the extent allowed by law.

- a. Except as authorized by the Patriot Act, or so ordered by a court of competent jurisdiction, the library shall not release or disclose a library record or portion of a library record to a person without the written consent of the person identified in that library record or that person's parent or legal guardian.

Internet Access (continued)

- b. The Genesee District Library makes no representations regarding the privacy of information sent over the GDL network (including Wireless Access) accessing the Internet including email, chat, or instant message. Those transmissions are not guaranteed to be secure against interception and may be monitored by a thirdparty.

5. Internet Filtering Guidelines

In order to comply with the MLPA and the CIPA, the Genesee District Library uses a technology protection measure (or "Internet Filter") to restrict access to some Internet sites.

- a. Content prohibited under MLPA and CIPA, and the court cases interpreting those statutes, is "Prohibited Content." This specifically includes "obscene matter" and "sexually explicit matter" as those terms are used in MLPA, and "harmful to minors," "obscene," "sexual act; sexual contact" and "child pornography," as those terms are used in CIPA. GDL uses the least restrictive blocking categories provided by the filter vendor that by their definitions appear to include Prohibited Content. GDL relies on the filter vendors and the Internet Filter to accurately identify and filter ProhibitedContent.
- b. All public computers are filtered.
- c. If an adult wants unfiltered access to the Internet, the adult must make a request to staff to have the filtering software turned off. At least one computer in each location may become unfiltered.

6. Parental Guidance

Parents and guardians need to be actively interested in and are responsible for supervision of their children's use of the Internet and other electronic resources. Parents and guardians are encouraged to discuss the use of the Internet and family values with their children.

- a. Parents and guardians need to be aware that the filter is not totally effective and GDL cannot assure that a child will not purposefully or inadvertently access inappropriate materials.
- b. GDL does not filter the content of email, chat rooms, or other forms of directelectronic communication and cannot therefore assure the safety and security of minors using these functions.
- c. GDL cannot protect against their children's unauthorized access to computer resources and other unlawful online activities.

Internet Access (continued)

- d. GDL cannot protect against unauthorized disclosure, use, and dissemination of personal identification information regarding their children if their children provide it while using the Internet.

7. Wireless Access

Authorized and approved wireless access to the Internet is supported by GDL within the libraries during library hours.

- a. The GDL network is an open network and is not secure.
- b. Most WiFi equipment will be compatible. However, GDL can make no guarantee to compatibility of equipment with GDL's network.
- c. The GDL cannot guarantee wireless connectivity.
- d. GDL staff cannot assist with a patron's computer, wireless network card, or configuration.
- e. GDL assumes no responsibility for any loss or damages done directly or indirectly to personal data or equipment, or for any damage or injury arising from loss of privacy arising from use of its World Wide Web server, wireless connection, or connection to other Internet services.
- f. GDL staff is not responsible for any changes made to a patron's computer settings.
- g. Wireless users must comply with the GDL Computer and Internet Use Policies. Users are expected to use the GDL's wireless access in a legal and responsible manner.

8. Complaints and Penalties

If a user feels that a web site is being blocked or allowed inappropriately by the filter, the user may request that it be reviewed by library staff.

9. Compliance

Failure to comply with this policy or with library staff directions may result in restriction or termination of the user's library privileges and may result in prosecution under local, state, or federal laws. Any person denied access to the Library or its services may appeal the denial to the Director. If the appeal is GDL Policy 3.5 not resolved by the Director, it may be submitted in writing to the Library Board of Trustees. The Library Board of Trustees will provide the person with an opportunity to be heard before deciding the appeal.

Programs

Responsibility for library program development is vested in the Library Director, and members of the staff whose job descriptions include program responsibilities. Library programs may utilize volunteers and may be developed cooperatively with Friends groups, governmental units, community organizations, and individuals. A program is any presentation given in or out of the Library (in person or by technological means) by a Library staff member or other presenter and sponsored by the Library, the Friends, or a partnership including the Library.

Library programs support the GDL's mission and strategic plan. They are planned in advance to meet media and publicity deadlines. Library programs may require registration. Limits on the number of people able to attend may be necessary due to facility, program, or performer limitations.

Library programs are funded in part by the operating budget with additional support from GDL fundraising activities, grants, contributions from the Friends, gifts, endowments, and partnerships.

No individual or organization who presents a program at the library will be permitted to sell their product or services during their presentation or during their time at the library (with the exception of authors who come to speak about their books or performers who have recordings of their music). Genesee District Library requires a contract to be executed by program presenters.

Organizations or business affiliation of presenters or co-sponsoring agencies will be used by the Library in promoting programs. This does not constitute endorsement.

GDL Policy 3.6.1

Contest Participation

To promote Library services and support the Library's mission, GDL sponsors contests for its patrons. Contests are open to all GDL cardholders and interested parties regardless of affiliation with the Library pursuant to the specific rules and regulations of each contest. GDL strives to administer all contests fairly and impartially, awarding prizes in accordance with the specific rules and regulations of each contest.

Literature Display and Distribution

Genesee District Library adheres to the principle that the Library is the institution in our society which provides materials representing all points of view in all fields including political, social, and religious no matter how controversial or objectionable these views may be to some people.

To support this basic principle, and to foster positive relationships within the community, the following policy has been established:

- 1) Informational material of public interest from nonprofit organizations, educational institutions, and governmental agencies may be displayed or distributed in branches where space is available. Material for display or distribution will be permitted at the discretion of the branch librarian. The primary purpose of such material must be to inform the public of the organization's programs, services, and events. Examples include:
 - GDL fundraising materials;
 - Friends of the Library materials;
 - promotional materials for cultural organizations;
 - special event fliers for nonprofit organizations from Genesee County and neighboring communities; and
 - local magazines and newspapers that are distributed free of charge and have received prior approval from Genesee District Library.
- 2) Prior to an election, campaign material relating to ballot issues may be placed in library branches for display and/or distribution to the public. If there is formal opposition to a ballot issue, equal consideration shall be given. Campaign materials that directly or indirectly make reference to a ballot issue must be removed prior to Election Day if located within 100 feet of any entrance to a polling place or in a hallway used by voters to enter or exist a polling place.
- 3) Petitions may not be displayed or circulated in library buildings except as permitted by local municipal ordinance.

GDL Policy 4.1

Branch Locations

The Genesee District Library strives to make efficient and effective use of its resources. Therefore, it is the policy of the Genesee District Library to work with local communities in locating branch sites to provide uniform access across the county, unless otherwise justified by demographics.

New Buildings, Building Expansions and/or Renovations

Genesee District Library cooperates with all governmental units in making library materials and services available to the public in the buildings owned by the governmental units.

When library buildings are being built, expanded, or renovated, GDL will provide the same services that were provided prior to the building changes. In addition, GDL staff will work with the governmental units to provide desired changes within both GDL budget constraints and Strategic Plan goals. GDL must balance the needs of the whole system while considering the desires of individual branches. Changes considered may include additional open hours, personnel, computers, equipment, and moving expenses for GDL owned computers, equipment, and materials. If library buildings are downsized, library services will be re-evaluated in conjunction with the governmental units affected.

When changes are being considered by the Genesee District Library staff or the governmental unit, GDL staff shall work with personnel from the governmental unit in order to achieve the best possible results. When evaluating library facility needs, GDL staff will apply recognized state and national guidelines and standards.

Those municipalities that currently do not have a library facility in their community, but are considering building one, are encouraged to consider partnering with other communities. The Genesee District Library Board of Trustees have the final authority in their sole discretion to approve any new branches and/or buildings.

Building Project Support

Genesee District Library staff will work with local governmental units to plan new buildings or expansions of existing buildings. Staff will advise planners, architects, and elected officials of Library needs and building requirements. In support of the expansion or building improvement efforts of local governmental units, staff will provide factual printed and graphic design work for posters and other print material. The Community Relations Department will coordinate these support efforts. Genesee District Library may also provide factual informational mailings to library patrons consistent with campaign and privacy act laws. Informational mailings as well as printing and design support work will be provided as approved by the Director and within budget limitations.

Michigan law forbids the expenditure of public funds to advocate a vote in favor of a millage or bond issue election. Therefore, Genesee District Library staff may not, on paid library time, work on political activities to promote millage or bond issue elections or disseminate materials which advocate a favorable vote on a millage or bond issue election. Nothing in this policy prevents staff members, on their personal time, from expressing their own personal views, expending their own personal funds, or providing their own personal volunteer services consistent with campaign laws.

Patron Code of Conduct

1. Tobacco or tobacco products including but not limited to e-cigarettes and medical marijuana may not be used in the library. Other rules, regulations State law, Federal law and/or local ordinances may apply.
2. Library patrons may not possess, consume or be under the influence of any intoxicant or any controlled substance (except as may be authorized by prescription).
3. All weapons are banned from Library premises to the fullest extent permitted by law.
4. Patrons may not disturb others in any manner. Fund Balance

This policy has been adopted by the Library Board of Trustees to address the implications of Governmental Accounting Standards Board (GASB) Statement No. 54. The policy is created in consideration of unanticipated events that could adversely affect the financial condition of the Library and jeopardize the continuation of public services. This policy will ensure that the Library maintains adequate fund balances and reserves in order to:

- a. Provide sufficient cash flow for daily financial needs;
- b. Offset significant economic downturns or revenue shortfalls;
- c. Provide funds for unforeseen expenditures related to emergencies; and
- d. Secure and maintain investment grade bond ratings.

The following definitions of fund types will be used in reporting governmental fund activity. The Library may or may not report all fund types in any given reporting period based on actual circumstances and activity.

General Fund – used to account for all financial resources not accounted for and reported in another fund.

Special Revenue Fund – used to account and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specific purposes other than debt service or capital projects.

Debt Service Fund – used to account for all financial resources restricted, committed, or assigned to expenditures for principal and interest.

Capital Projects Fund – used to account for all financial resources restricted, committed, or assigned to expenditures for the acquisition or construction of capital assets.

Permanent Funds – used to account for resources restricted to the extent that only earnings, and not principal, may be used for purposes that support the Library's objectives.

The following categories will be used to report governmental fund balances in accordance with the definitions provided by GASB Statement No. 54:

Non-spendable fund balance – amounts that cannot be spent because they are either not in a spendable form or are legally or contractually required to be maintained intact.

Classification of non-spendable amounts will be determined before all other classifications and consist of the following:

- a. The Library will maintain a fund balance equal to the balance of any long term outstanding balances due from others;
- b. The Library will maintain a fund balance equal to the value of inventory balances and prepaid items unless those items are offset with liabilities and actually result in fund balance;

Fund Balance (continued)

- c. The Library will maintain a fund balance equal to the principal of any permanent funds that are legally or contractually required to be maintained intact; and
- d. The Library will maintain a fund balance equal to the balance of any land or other nonfinancial assets held for sale.

Restricted fund balance – amounts that can be spent only for specific purposes stipulated by the constitution, external resource providers, or through enabling legislation.

Committed fund balance – amounts that can be used only for the specific purposes determined by a formal action of the Library Board of Trustees.

Assigned fund balance – amounts intended to be used by the Library for specific purposes, but do not meet the criteria needed to be classified as restricted or committed.

In governmental funds, other than the General Fund, the assigned fund balance represents the remaining amount that is not restricted or committed. (Authority to Assign: the Library Board of Trustees delegates to the Finance Manager the authority to assign amounts to be used for specific purposes. Such assignments cannot exceed the available [spendable, unrestricted, uncommitted] fund balance in any particular fund.)

Unassigned fund balance – is the residual classification for the Library's General Fund and includes all spendable amounts not included in the other classifications. In other funds, the unassigned classification is used to report a deficit balance from overspending amounts that have been designated as restricted, committed, or assigned.

The following guidelines address the classification and use of fund balance in governmental funds:

Classifying fund balance amounts – Fund balance classifications indicate the nature of the net resources that are reported in a governmental fund. An individual governmental fund may include non-spendable resources and amounts that are restricted, committed, or assigned, or any combination thereof. The General Fund may also include an unassigned amount.

Encumbrance reporting – Encumbering amounts for specific purposes for which resources have already been restricted, committed, or assigned should not result in separate display of encumbered amounts. Encumbered amounts not previously restricted, committed, or assigned, will be classified as committed or assigned based on the definitions and criteria set forth in GASB Statement No. 54.

Prioritization of fund balance use – When an expenditure is incurred, when both restricted and unrestricted (committed, assigned, or unassigned) amounts are available, it will be the policy of the Library to consider restricted amounts to have been reduced first. If an expenditure is made that is applicable to any of the unrestricted fund balance classifications, it will be the policy of the Library to reduce committed amounts first, followed by assigned amounts, and then unassigned amounts.

GDL Policy 5.2

Fund Balance (continued)

Minimum unassigned fund balance – The Library Board of Trustees has designated a minimum unassigned fund balance for the Library's General Fund of 15-20 percent of the subsequent year's budget. This minimum fund balance is to protect against cash flow shortfalls related to timing of projected revenue receipts and to maintain a budget stabilization commitment.

The Director and Finance Manager will provide a report of the fund balance as part of setting the annual budget, approving budget adjustments, or as requested.

GDL Policy 5.3

Annual Budget

The Genesee District Library Board of Trustees will adopt an annual budget on or before the December meeting for the following calendar year. The budget is a working document. Typically, but not limited to, budget adjustments may be presented in August and December of each year.

Friends of the Library

The Genesee District Library Board of Trustees recognizes and appreciates the role of the local Friends of the Library groups to assist in building awareness and resources to champion the Genesee District Library's (GDL) vital role in the community. This is done through a mutually respectful working relationship with library leadership and staff in every branch to help determine where additional support will provide the greatest benefit.

The materials donations, staff assistance, and use of branch library buildings provided by GDL are conditioned on the efforts of Friends groups to solely and directly support GDL activities. Friends groups help GDL by paying for local branch activities which include, but are not limited to, GDL-approved programming; supporting summer reading programs; helping with carpeting, painting, shelving and decoration; purchasing of new materials and equipment; and contributing to the costs of sending the branch librarian to conferences. While charity to schools and other local causes is an admirable activity, it is not an appropriate activity for GDL Friends Groups.

Consequently, no library staff shall act as an agent for any Friends group while on library time, except in an advisory capacity with the approval from the Library Director. Also, the GDL does not provide staffing for book sales or other activities.

The GDL Library Director or designee should be made of aware of all Friends activities and sales prior to their execution dates. All materials or releases that mention the Genesee District Library or include the GDL logo need prior approval by the Library Director or designee.

The Genesee District Library Board of Trustees encourages but does not require Friends groups to obtain tax-exempt status from the Internal Revenue Service, and it assumes no responsibility or liability for Friends group compliance with IRS regulations, with or without tax-exempt status.

Operating expenses of the GDL are provided through allocation of tax revenues which are audited by an independent auditor. Friends' funds and GDL funds shall not be commingled or integrated. Gifts from Friends may be accepted by the local branch and said gifts become the funds of GDL but shall be expended for the specific purpose for which the gift or donation has been designated by the Friends.

Please contact the Library Director with any questions about this policy.

Conflict of Interest- Employees

Under the District Library Agreement (DLA) that created the Genesee District Library, local municipalities/governmental units are responsible for building and grounds maintenance. Some municipalities/governmental units have appointed a local board to oversee this responsibility. The authority to manage the buildings and grounds is determined by each municipality/governmental unit.

No library staff or administrator are to serve as voting members on any local municipal/governmental board whose function it is to maintain any of the buildings and/or grounds that make up the Genesee District Library.

(b) "Public entity" means the state including all agencies thereof, any public body corporate within the state, including all agencies thereof, or any non-incorporated public body within the state of whatever nature, including all agencies thereof.

15.322 Public servant; soliciting, negotiating, renegotiating, approving, or representing a party to a contract with public entity prohibited.

Sec. 2.

(1) Except as provided in sections 3 and 3a, a public servant shall not be a party, directly or indirectly, to any contract between himself or herself and the public entity of which he or she is an officer or employee.

(2) Except as provided in section 3, a public servant shall not directly or indirectly solicit any contract between the public entity of which he or she is an officer or employee and any of the following:

(a) Him or herself.

(b) Any firm, meaning a co-partnership or other unincorporated association, of which he or she is a partner, member, or employee.

(c) Any private corporation in which he or she is a stockholder owning more than 1% of the total outstanding stock of any class if the stock is not listed on a stock exchange, or stock with a present total market value in excess of \$25,000.00 if the stock is listed on a stock exchange or of which he or she is a director, officer, or employee.

(d) Any trust of which he or she is a beneficiary or trustee.

(3) In regard to a contract described in subsection (2), a public servant shall not do either of the following:

(a) Take any part in the negotiations for such a contract or the renegotiation or amendment of the contract, or in the approval of the contract.

(b) Represent either party in the transaction.

15.323 Applicability of MCL 15.322 to public servants; requirements of contract; making or participating in governmental decision; counting members for purposes of quorum; voting; affidavit; "governmental decision" defined.

Contracts involving prohibited activities on the part of public servants shall be voidable only by decree of a court of proper jurisdiction in an action by the public entity, which is a party thereto, as to any person, firm, corporation or trust that entered into the contract or took any assignment thereof, with actual knowledge of the prohibited activity. In the case of the corporation, the actual knowledge must be that of a person or body finally approving the contract for the corporation. All actions to void any contract hereunder shall be brought within 1 year after discovery of circumstances suggest

In order to meet the ends of justice any such decree shall provide for the reimbursement of any person, firm, corporation or trust for the reasonable value of all moneys, goods, materials, labor or services furnished under the contract, to the extent that the public entity has benefited thereby. This provision shall not prohibit the parties from arriving at an amicable settlement.

(2) Negotiable and nonnegotiable bonds, notes or evidences of indebtedness, whether heretofore or hereafter issued, in the hands of purchasers for value, shall not be void or voidable by reason of this act or of any previous statute, charter or rule of law.

5. If a Board of Trustees of the District Library is elected pursuant to MCLA 397.273, the terms of office of the appointed members of the Board of Trustees shall not hold over in any respect but rather the office shall be abolished and shall cease to exist when an elected Board takes office.
6. The County Board shall place the following advisory question before the voters of the County of Genesee at the general election on November 4, 1980:

Shall all the residents of Genesee County have the use of all the public libraries located in Genesee County and shall the voters be allowed to vote on a proposal for a unified library system to be established for this purpose with a county-wide millage levy and an elected Board of Trustees?

7. If the voters advise that they wish to vote on a proposal for a unified library system, the County Board shall take appropriate steps to cooperate in the drafting of a new plan, such plan to be for the creation of a unified library system, to be submitted to the voters of the County of Genesee at an appropriate opportunity but not later than November 2, 1982.

9. The County of Genesee and/or the Genesee County Library Board, to the full extent of each of their respective interests, shall, no later than January 1, 1980, transfer to the District Library, at no cost to the District Library, all books, periodicals, materials, equipment and supplies currently used by the Genesee County Library provided that the District Library Board of Trustees has committed itself to the transfer of forty (40%) percent of its millage revenues to the School District of Flint for so long as this plan shall remain in effect.

11. Upon completing the transfers and lease described in paragraphs 9 and 10 hereof, the Genesee County Library Board shall assign to the District Library all funds remaining after payment of existing obligations of said County Library Board, and all rights to funds not yet received, and shall quit claim to the County of Genesee all its right, title and interest in any real estate.

14. If any dispute shall arise concerning the interpretation of this agreement among the parties to it prior to January 1, 1983, it shall be resolved in the following manner: The County Board and the Township Board shall each appoint an arbitrator. The two arbitrators shall select one additional arbitrator. The panel of three arbitrators shall consider the question referred to them and shall resolve the question by majority vote at the earliest possible opportunity.

**FIRST AMENDED AND RESTATED DISTRICT LIBRARY ORGANIZATIONAL
PLAN AND AGREEMENT**

THIS FIRST AMENDED AND RESTATED DISTRICT LIBRARY ORGANIZATIONAL PLAN AND AGREEMENT ("Agreement") is entered into effective as of the date provided for in subparagraph 9(i) below, by and between the County of Genesee (the "County") and the Charter Township of Grand Blanc (the "Township") (each a "Participating Municipality" and collectively "Participating Municipalities") pursuant to the District Library Establishment Act, MCL 397.171 *et seq.* (the "Act").

The following is a recital of certain facts which underlie this Agreement:

- A. Genesee District Library ("GDL") was created in 1979 pursuant to 1955 PA 164 as amended (the "1955 Act") by the adoption by the County and the Township of a proposal to unite for the establishment and operation of a District Library, effective August 7, 1979 (the "Mandate").
- B. The Mandate was approved by the voters of both Genesee County and the Township in 1979, pursuant to Section 2 (2) of the 1955 Act.
- C. In 1989, after the most recent millage renewal was approved by the voters of Genesee County for GDL, the 1955 Act was repealed and replaced in its entirety by the Act.
- D. Pursuant to MCL 397.176, a "District Library Organizational Plan" (the "Plan") was submitted by the board of GDL to the State Librarian and approved by the State Librarian on December 14, 1989, whereby GDL was by statute considered to be established pursuant to the Act.
- E. Pursuant to the Act, the Plan, and the Mandate, the Township and the County desire to amend and restate the Mandate and the Plan for purposes including *modifying* the district of GDL and modernizing the Plan and the Mandate.
- F. The legislative bodies of the Township and the County have determined that it is in the best interests of their residents to amend and restate the Mandate and the Plan.

Therefore, in consideration of the premises and other mutual obligation and promises, the Township and the County agree as follows:

- 1. Ratification, Amendment and Restatement of the Mandate and the Plan. The Participating Municipalities hereby ratify and confirm the establishment of GDL as a district library established pursuant to the Act, with GDL having all of the powers granted to such district libraries by the Act; provided, however, that limitations upon the powers of GDL as provided in this Agreement are effective to the extent such limitations are consistent with the Act. The Participating Municipalities further hereby amend and restate in their entirety the Mandate and the Plan, with the specific intention that this Agreement shall supersede the Mandate and the Plan, and that this Agreement, along with the Act, shall fully govern the affairs of GDL.
- 2. District. The territory of the Participating Municipalities included within the GDL district shall be all of the County of Genesee except the territory within the City of Flint (the

"District").

3. Board of Directors. GDL shall continue to be governed by an appointed district library board (the "Board") consisting of eight (8) members to be appointed and who shall govern as follows:
 - a. County Appointment. The County shall continue to appoint, from among residents of the District, four (4) persons to serve as members of the Board for terms of four (4) years each. The Board members presently serving who continue to qualify as members hereunder shall continue in their present term without the necessity for reappointment.
 - b. Township Appointment. The Township shall continue to appoint, from among residents of the Township, four (4) persons to serve as members of the Board for terms of four (4) years each. The Board members presently serving who continue to qualify as members hereunder shall continue in their present term without the necessity for reappointment.
 - c. Board Member Terms. The terms of office of two County appointed Board members and of two Township appointed by Board members shall continue to expire August 31 of each odd numbered calendar year, although members otherwise qualified to serve shall serve until the appointment and qualification of their respective successors.
 - d. **Powers.** The Board shall have such powers as are granted to district library boards by or pursuant to the Act, except that the Board shall have no authority to maintain any building other than Headquarters (as defined below); provided, however, that this restriction shall not restrict GDL from operating other branch libraries in the District, with the physical buildings therefor being maintained by another entity, as: is the practice of GDL as of the effective date of this Agreement. Any other limitations upon the powers of the Board, provided for in this Agreement and consistent with the Act, also shall be effective.
4. Funding. Funds necessary for the operation of GDL shall be derived from a district-wide millage authorized to be levied upon all taxpayers of the District pursuant to the Act. No Participating Municipality is required to levy **any tax** in support of GOL. No Participating Municipality is required by this Agreement to provide any assets or funding to GDL, subject to these two exceptions:
 - a. The County shall continue to lease the present GDL headquarters building to GOL to the extent that such continued leasing is required by paragraph 6 of this Agreement.
 - b. To the extent, if any, that any moneys or property from any source whatsoever are received by any Participating Municipality, which moneys or property are designated for the operation and administration of community library services, or for acquisition of books and equipment and other real or personal property for community library use, in the District,

such Participating Municipality shall transfer such moneys and property upon receipt thereof to GDL. This subparagraph does not require the County to transfer to GDL any moneys or property received by the County for support of the Genesee County Law Library.

The Participating Municipalities understand and agree that the moneys paid over to the Board for the operation of GDL are GDL moneys, subject to the exclusive control and direction of the Board, provided that such moneys must be expended or distributed in accordance with the Act and this Agreement. It is understood and intended that GDL shall receive funds for its operations in addition to funds from a district-wide millage, such additional funds to include but not necessarily be limited to, penal fines, state aid and funds provided through grants. "Funds necessary for the operation of GDL," within the meaning of the first sentence of this paragraph, are those funds needed in addition to such other funds.

5. **Fiscal Year.** The fiscal year of GDL shall be the calendar year, provided that the Board shall have the authority to change the GDL fiscal year as it deems necessary.
6. **Headquarters Building.** The County shall continue to lease to GDL the present headquarters building ("Headquarters") for the nominal sum of One (\$1.00) Dollar per year, so long as GDI maintains the Headquarters premises, designates the County as an additional insured on all premises and liability insurance pertaining thereto, continues to provide library services to residents of the District pursuant to this Agreement, and continues to use the Headquarters for provision of library services. Such continued leasing also may continue to be conditioned, however, upon performance by GDI of the terms of the present lease between the Genesee County Board of Commissioners and GDI, such present lease being for a term terminating December 31, 1997, or upon the performance by GDI after December 31, 1997 of terms substantially equivalent to the terms of such present lease, such terms including but not being limited to maintenance of the insurance required by section 2 of that lease; provided, however, that it shall not be a condition of such continued leasing that GDL provide library services to patrons who are not residents of the District, or that GDI remit to the Flint School District or the Flint Board of Education any portion of taxes on taxable property, to any extent not otherwise required by the Act or this Agreement. Increases in required insurance amounts, reflecting increases in value of the Headquarters, shall not be deemed imposition of a leasing condition not permitted by this Agreement.
7. **Additional Parties.** A municipality other than the County and the Township, and otherwise qualified to become a party to this Agreement, may do so, and thereby become an additional Participating Municipality, only upon approval of the legislative bodies of both the County and the Township and upon satisfaction of the other conditions for becoming a party provided for in section 25 of the Act, MCL 397.195.
8. **Withdrawal.** Any Participating Municipality may withdraw from GDL subject to the following conditions:
 - a. **limit on Withdrawal.** No Participating Municipality may adopt a resolution authorizing its withdrawal until the expiration of one year after the effective date

of this Agreement.

- b. Conformance to Act. Withdrawals shall be in conformance with section 24 of the Act, MCL 397.194.
- c. Forfeiture of Assets. When any Participating Municipality withdraws from GDL, and there remains at least one Participating Municipality which has not withdrawn, such withdrawing party forfeits, effective upon the withdrawal becoming effective, all interest in the assets of GDL.
- d. Dissolution. If all but one of the Participating Municipalities has withdrawn pursuant to this paragraph, GDL shall dissolve, and upon such dissolution, the net assets of GDL shall be distributed to the non-withdrawing Participating Municipality.

9. Miscellaneous.

- a. Amendment. This Agreement may be amended in writing upon the consent of the legislative bodies of at least two-thirds of the Participating Municipalities, which consenting legislative bodies must include those of both the County and the Township.
- b. **Default.** In the event of failure by any of the Participating Municipalities to perform one of its obligations under this Agreement, the other Participating Municipality or Municipalities, and each of them separately, shall have the power to seek such remedies as shall be available to them at law or in equity, including actions for mandamus.
- c. Contingent, Alternative Formation **of New** District. If for any reason approvals of this Agreement by the County, the Township, the Board of GDL and the State Librarian are not, together, otherwise sufficient to effect the amendment of the District of GDL as provided for in paragraph 2, GDL as it existed immediately prior to this Agreement becoming effective is, as of this Agreement becoming effective, dissolved, and a new Genesee District Library (the "New GDL"), having as its territory all of Genesee County except the territory within the City of Flint, is established effective as of this Agreement becoming effective. If New GDL is established: 1) GDL, by virtue of approving this Agreement, assigns to the New GDL all its assets and contracts and agrees that the New GDL shall be the successor in interest to GDL on all matters, including but not limited to rights to income and interests in grant applications and grants; 2) New GDL may operate under the name "Genesee District Library"; 3) the district library board for New GDL will be constituted and appointed by the same bodies and for the same terms as existed with respect to GDL, and present GDL Board members otherwise qualified to serve are appointed as initial Board members of New GDL for the remainder of initial terms corresponding to the terms they were serving on the GDL Board; 4) New GDL and the district library board thereof shall have all powers and be subject to all limitations provided for in this Agreement as to GDL; 5) the other provisions of this Agreement shall apply to New GDL as if new

GDL were GDL; 6) neither subparagraph 8d, nor subparagraph 9d, however, will be applicable to the dissolution provided for in this subparagraph; 7) the Chairperson of the GDL Board is authorized to call and notice the first meeting of the New GDL Board; and 8) the GDL Board is authorized to submit this Agreement to the State librarian on behalf of both the County and the Township.

- d. Dissolution by Consent. GDL may be dissolved in accordance with a substantively concurrent resolution to that effect approved by the legislative bodies of at least two-thirds of the then Participating Municipalities, provide that there are then at least two Participating Municipalities and provided that legislative bodies of both the County and the Township (to the extent those municipalities are then Participating Municipalities) are among those so concurring. Such a dissolution, for purposes of section 24 of the Act, MCL 397.194, however, shall be considered a withdrawal by each Participating Municipality, and the requirements of that section, as applicable to withdrawals, shall be met. Upon such dissolution, the lease of the Headquarters shall terminate, and all interest of GDL in the Headquarters shall revert to the County. All other net assets of GDL shall be divided among the then Participating Municipalities in proportion to the most recently established taxable values of property within their respective boundaries. Taxable value existing within multiple Participating Municipalities shall be included within the value of each such Participating Municipality in determining such valuation proportions.
- e. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan.
- f. **Partial Invalidity.** If any clause, provision or paragraph of this Agreement shall be ruled invalid or unenforceable by any court of competent jurisdiction, the invalidity or unenforceability of such clause, provision or paragraph shall not affect any of the remaining clauses, provisions or paragraphs to the extent that such remaining clauses, provisions or paragraphs are capable of being implemented substantially in accordance with their original intent.
- g. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed and all of which shall constitute one and the same agreement, and the signature of any party to any counterpart shall be deemed a signature to and may be appended to any other counterpart.
