

Community Necessities & Clothing Closets of Genesee County

This is a list of Clothing Closets and other places for those in need to get essential goods. It is strongly recommended to call an organization before visiting to find out what paperwork, if any, is needed, and the service area of the organization. The list was last updated in July 2025. If you would like your group added, removed or have any change in information, please email Symantha at sforeman@thegdl.org
