Delaney explained that the current millage expires on December 31, 2016; however, millage monies are collected a year behind and C. Lane replied that should be verified because that is not always the case. W. Delaney stated that information would be verified and discussed at the April meeting. C. Lane suggested that the millage vote be placed on the August or November 2016 ballot because of the reduced or even free election cost to GDL. R. Crites inquired what other millages expire next year and C. Lane stated that P. Nolde, Genesee County Equalization Director, would know the answer. W. Delaney asked D. Conklin to get with P. Nolde for that answer and present it at the next meeting. W. Delaney stated if anyone had further millage questions to email them to D. Conklin and he would get an answer for the April meeting.
